Good Luck Keilani

Good luck to Keilani in Year 6 as she will be competing at the Sydney East Regional Cross Country Carnival this Thursday. Keilani finished in the top six students in her age group at the recent Eastern Suburbs carnival and was successful in progressing to the regional level. We wish her all the very best as she runs for 3km at Miranda on Thursday!

Dancesport

As a part of their creative arts program, Stage 3 have been participating in the Dancesport program. Matraville Public School has been a part of Dancesport for over 10 years.

Dancesport is a ballroom dancing program which not only teaches all female and male students how to ballroom dance, but also teaches them how to build positive and respectful relationships with each other.

Stage 3 have been having a wonderful time with their professional ballroom dance instructor, Brad. In the past six weeks they have learned the Cha Cha and the Tango, and have just started to learn the Salsa.

Jelly Day

Last Wednesday our SRC held a State of Origin Jelly Cup fundraiser to raise money for the school. Blue and red jelly cups were on sale at lunch time and were enjoyed by many of the students. Thank you to Miss Lee, Ms Farah and Aunty Maxine for making the jelly, and to all of the students who supported the school by buying a jelly cup.

Debating

Last week, the senior debating teams debated against the Banksmeadow and Botany teams at Botany Public School in Round 2 of the competition. Both of the teams did extremely well.

The teams were very prepared for this round and worked extremely hard to make sure they had strong arguments and examples, and were truly prepared for rebuttal battle.

The topic for this debate was 'Should schools have a mandatory 30 minute exercise class every morning?' The teams were challenged greatly as they were on the opposing side of the argument.

The students made some strong points as to how exercise is good for them. However, they did stress that a ridiculous amount of exercise during school hours is not necessary, as they should be focusing more on literacy and numeracy before participating in extra sport outside of PSSA.

Team A was successful and won against Botany but unfortunately Team B was just a point or two short and lost to Banksmeadow.

No Nuts

We currently have a number of students who are severely allergic to nuts. In order to keep all of our students safe and healthy, we ask that you do not send nuts or nut products to school with your child. This includes peanut butter, Nutella and muesli bars that contain nuts. Even slight contact with these products can cause a life threatening reaction in some children with these allergies. We thank you for your cooperation.
