Athletics Carnival

Congratulations to all our award winners at our recent Athletics Carnival.

Health Alert

Please be advised that we have been notified of one case of chickenpox in our school. Last week a 'Parent Information Bulletin' was sent home outlining possible symptoms to look for in your own child. Please seek medical advice if you notice any of the symptoms.

Dental Screening Program

Last Thursday, we had our first visit from South Eastern Sydney Local Health District Oral Health Service. The dentist is only available between 9:00am and 11:00am so it may be a few weeks before your child is seen by the dentist. Last week 2L and 2/3N classes were completed. It is very important that you check your child's bag for your dental pack and the result of the screening. Remember, this is a free service to all children under 18 years of age so please follow up by making an appointment on the number provided on your form.

School Website

Sorry for the inconvenience but our school website is currently being updated. It will be back in action in Term 4.

Evacuation Drill

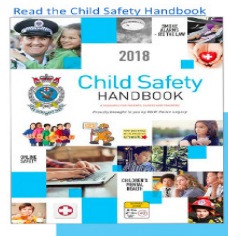

On Wednesday, the school participated in an Evacuation Drill. This is an important process which we undertake twice a year so all stake holders are well rehearsed in the actions to take in the event of an actual emergency.

Tell Them From Me Surveys - Reminder

Last chance to complete the survey online at <https://nsw.tellthemfromme.com/matravillepublic>. Results from this survey will assist our school to improve our programs and our engagement with the community.

P&C – General Meeting

The next P&C General Meeting will be held on Friday 28 September at 9:15am in the Community Room. All parents/carers are encouraged to attend the meeting each month. This is a great opportunity for you to meet other parents, hear about the school and have your say. Any questions contact the P&C executive (email: matravillepublicschool@pandcaffiliate.org.au). New members are always welcome!
